Who Volunteers?

Volunteers in Emmanuel House represent a cross-section of the community. People volunteer for a variety of reasons. Some want to spend time giving something back to the community while others want experience that will contribute to their applications for jobs. Some volunteers are students looking for experience that relates to their course.

People volunteering in Emmanuel House are retired, own their own businesses, want volunteering experience that relates to work, come from different cultural and faith backgrounds and some have impairments whether physical or relating to their emotional health. We make reasonable adjustments to accommodate volunteers with a disability.

How much time is involved?

How much time you offer is up to you. We aim to achieve a best fit for what you have to offer with our opportunities. Some people volunteer several times each week, some once every two or three weeks.
